Google Developer Student Clubs
LBS Institute of Technology for Women

Google Developer Student Clubs

Google Developer Student Clubs (GDSC) are community groups for college and university students interested in Google developer technologies. Students from all undergraduate or graduate programs with an interest in growing as a developer are welcome.

By joining a GDSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community. It is an initiative to grow their knowledge on developer technologies, more through peer to peer workshops and events, and gain relevant industry experience.

GDSC Leads are selected every year by Google Developer Community after shortlisting the application and an Interview.

Google Developer Student Clubs of LBSITW was initiated by **Sruthy S Nair**, 2018-2022 ECE, in the year **2021** along with **Prof. Nandan S**, Assistant Professor ECE Dept., with the aim to create a developer community in the campus for those who are truly inspired by technology. The community has got a bunch of passionate students in its core team who believe in the motto **Connect | Learn | Grow**.

GDSC LBSITW Activities 2021

1. Inizio 1.0

2. **30 Days Campaigns**
   30 Days of Google Cloud
   Android Study Jams
   Flutter Festivals
   ML and Firebase Campaign

3. Ignite Talk Series

4. Audra 1.0

5. GDSC WoW

GDSC LBSITW as a first chapter was inaugurated by **Erica Hanson** (Global Head of Google Developer Community Programs) and **Tanvi Somani** (Program Manager at Google) on 20th September 2021.

Inizio 1.0

Orientation Session to get the newbies onboard to the community.

Audra 1.0

Series of exciting events and competitions as part of International Women's Day Celebrations.

Ignite Talk Series

An amazing talk series where experts get onboard to ignite the journey towards your dreams

On 5th March 2022, GDSC LBSITW got an invite to represent the community in IEDC Summit 2022, the annual get together hosted by Innovation and Entrepreneurship Development Centre (IEDC) of SJCET, Palai.

30 Days Campaign

30 Days of Google Campaigns are hands-on practice on Google Cloud, Android, Flutter, ML and Firebase. These campaigns will help to kick-start the career in the Google platforms and earn some amazing goodies from Google. To help the students throughout the journey and complete the tasks, Campus Facilitators from the core team was assigned.

GDSC WoW

GDSC (Wonder Of Wonders), aka GDSC WOW 2021 is a 3-day long virtual event consisting 3 days of Speaker Sessions / Live Coding / Open Source Projects, webinars covering various topics of latest technologies and a Treasure Hunt game throughout the three days. To the developers and tech enthusiasts, this is much more than a few workshops, it is a place where imagination meets the technology of tomorrow.

Graduation Event

A Graduation Ceremony has been initiated by Google for the GDSC Leads at Google office in Bangalore on 2nd July 2022, where leads got the opportunity to interact and network the community managers of GDSC and DevRel.
